JAZZ ADVOCATE TO LAUNCH *THE JAZZ IN M.E.E. MAGAZINE*
Multifaceted Exquisite Events Inc. Founder to Debut
THE JAZZ IN M.E.E. Magazine Inaugural Issue
January 2013

Houston, Texas — *THE JAZZ IN M.E.E. magazine is set to officially launch January 2013.*

THE JAZZ IN M.E.E. is an affiliate of Multifaceted Exquisite Events Inc. News and Media division. THE JAZZ IN M.E.E., based in Houston, hosts and reports on jazz, literary and art events nationally. THE JAZZ IN M.E.E. is the newest addition to the M.E.E. network, targeting devotees to jazz and the arts. This online magazine will include dynamic cover stories, trendy Jazz Watch music reviews, boldly stylish CD releases, trend setting blog updates, enchantingly cool featured festival insights, informative "Inside M.E.E." reports and other consequential jazz information.

The magazine was developed after the success of *In the Jazzy Limelight*, an online article profiling various jazz artists. *In the Jazzy Limelight* has reached over 180,000 readers in 25 countries, with highest international views in Japan, Canada, Russia, Ukraine, France, and the United Kingdom. Readers of the online feature have a passion for jazz vacations, explorations and getaways. These topics will continue to be explored and expanded upon with the launch of THE JAZZ IN M.E.E.

THE JAZZ IN M.E.E. was created to be a platform to showcase, support, advocate, market and promote the love of jazz, the artists, musicians, enthusiasts and supporters of this magnificent genre of music and the events that are a springboard for its success. M.E.E. is on a mission to keep jazz and its artists in the forefront. THE JAZZ IN M.E.E. aims to be an informative, inspiring and entertaining jazz style of living magazine where readers can find in-depth feature articles and columns pertaining to everything jazz with an artistic flair.

The JAZZ IN M.E.E. is the creation of jazz advocate Melody Warren, Publisher/Editor-in-Chief. Warren describes her passion for jazz, "My love affair with jazz started years ago! I have fallen madly in love with the art form, the artists, the musicians, and those who support this genre of music. Jazz fits perfectly into my creative and artistic disposition, which is in close proximity to fashion and the arts. These three facets of beauty have always played an integral part of my life. So falling head over heels for the true American art form of jazz was totally understandable."

The M.E.E. network includes Multifaceted Exquisite Events Inc, THE JAZZ IN M.E.E., THE MELODY IN M.E.E. and GLAM.

With positive feedback after the release of *In the Jazzy Limelight* last year, Warren is now set to launch *THE JAZZ IN M.E.E. magazine* in January to connect jazz enthusiasts to the artists, music, products and services offered by jazz and the arts.
